

Inspector (Software User) Creates Report

Report created from scratch or by using one of our 30 expertly crafted templates

Tenant Notification
Email triggered to tenant(s) in their native language days before arrival

Reminder Sent
Tenant(s) fails to sign – keys not handed over, reminder sent

Signature Confirmation
Tenant(s) sign electronically to confirm receipt

Tenant Receives Report
Tenant(s) view report contents online after check-in

Handover
Agent/Landlord informed it's safe to handover keys prior to tenant's arrival

Tenant Approves

PDF report emailed to all parties

Tenant Feeds Back

Tenant types comments and adds photo evidence (where applicable)

Fails to Respond

PDF report auto approved using 'tenant(s) confirm receipt' signature. Emailed to all parties

Inspector Responds

Comments added by inspector (repair, replacement and cleaning flagging available).

PDF emailed to all parties with feedback and photos auto added in the relevant areas.

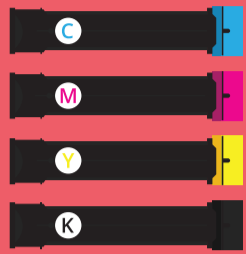

Inventory Hive®

www.inventoryhive.co.uk
0333 358 3638

COSTS

It costs £10 in toner alone for each inventory printed (based upon a modest 60 pages x 2 copies)

£10

10 printed reports each month = £1,200 per year in toner

£1,200

£822 SAVING

Inventory

£822 annual cost saving by switching to our paperless InventorySign® process (based on 10 new properties added each month)
